Edition No. 8
May 2010**

The **Barrington, R-Anell**'s newest production home has a popular cottage-style design with appealing exterior accents that include shake siding shingles, craftsman window trim, optional stacked stone porch columns, optional cedar board porch planks, cedar doubled-sided entrance steps and trapezoid end wall windows. A key exterior design component is a unique sidewall and rear side door/window design which accommodates site addition full wrap-around decks to provide a great view from inside or outside the home. The home has a flexible design that can expand in size to accommodate any family's lifestyle.

Size: 1,549 sq. ft. - 2,445 sq. ft. Market: Northeast, Mid-Atlantic, South.

For more information visit www.r-anell.com or circle No. 152.

The **A480 model** is just one of many warm and inviting floor plans offered by **Redman Homes**, Ephrata, PA. This three bedroom, two bath, open floor plan design is ideal for entertaining and quality time with the family. Featuring a raised island bar as a central gathering point for family and friends, abundant cabinets for storage, bench seats to unwind by the warmth of the sun and plantation shutters to highlight the windows; this home is a great buy for all the quality and comfort it affords.

Size: 1,493 sq. ft. Market: PA, MD, DE, NJ, NY, VA, WV, CT, RI, VT, ME.

For more information visit www.redmanhomesofpa.com or circle No. 154.

The **Kirsch Home** from **OakBridge Timber Framing** was designed with luxury and comfort in mind. An appropriately sized great room next to the kitchen opens up to the second floor creating a comfortable and spacious haven. The stairs leads you to a loft on the second floor, perfect for an office or a peaceful place to relax.

Size: 3,846 sq. ft. Market: U.S.A. and Canada.

For more information visit www.oakbridgetimberframing.com or circle No. 153.

Ritz-Craft Corp.'s **Chesapeake** model is a three bedroom, two bath home built with a 9/12-pitch roof and boasts over 1,000 sq. ft. of unfinished bonus space on the second floor. The covered entry with Tuscan columns and elliptical arches brings you into a formal foyer with matching Tuscan columns and elliptical arch with hardwood floors. The view from the foyer entry includes a 20' living room with corner fireplace, the dining room with tray ceiling and kitchen half walls with columns. The home also features Cambria® quartz kitchen countertops, a coffered ceiling in the library with a built-in bookcase and a built-in hutch in the dining room. Hardwood floors throughout the dining room, kitchen and utility room create a stunning décor when combined with natural maple kitchen cabinets. The master bath completes the home with a glamorous walk-in glass block and ceramic tiled shower and whirlpool tub.

Size: 1,800 sq. ft. Market: Northeast, Midwest, South.
